

AAA Motorclub Announces Diamond Award Winners

The American Automobile Association, AAA, has announced their Four and Five Diamond Award winners.

Each year AAA reviews more than 31,000 lodgings including hotels, resorts, historic inns, B&Bs, and more. Less than one-third of one percent make the AAA Five Diamond list. Only 4.8 percent of the 31,000 lodgings approved by AAA make the Four Diamond list.

More than 28,000 restaurants are reviewed by AAA, but less than one-third of one percent make the AAA Five Diamond list. Only 2.7 percent of the 28,000 restaurants approved by AAA make the Four Diamond list.

The date beside each listing indicates the year the establishment received current, consecutively maintained Diamond Rating. An asterisk (*) indicates the establishment is new to the list during 2011 inspections.
